The members! Our members are the best and are always working to make our communities and state a better place.

1 WHAT WORDS WOULD YOU USE TO DESCRIBE YOUR ROLE IN AIA FLORIDA?

Leading AIA Florida and our members to advocate on behalf of architects and improve the built environment in our state.

2 WHO HAS IMPACTED YOU THE MOST IN YOUR CAREER AND HOW?

Vicki Long. She brought me into the AIA world and encouraged me to seek positions at AIA National.

3 WHAT WOULD BE THE ONE ADVICE YOU WILL GIVE TO EMERGING PROFESSIONALS?

Network and seek advice from others. AIA provides the opportunity to learn from those that have already been through testing and becoming licensed. Seek their advice and knowledge.

4 WHY DO YOU THINK IT IS IMPORTANT TO VOLUNTEER FOR AIA?

This is the organization that works to protect the profession. Decisions are being made all the time by the legislature and regulatory boards that directly impact the practice of architecture. AIA Florida is the voice of architecture. Make sure your voice is heard.
